Sir:

Pursuant to 37 CFR § 1.56, attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of the above-referenced application, and be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

The listing of a reference herein is not an admission that the reference is prior art or is material to patentability. 37 CFR § 1.97(h). Applicant reserves the right to establish the patentability of any claimed invention over any of the information provided herewith, and/or prove that this information may not be prior art, and/or prove that this information may not be enabling for any aspect of the information provided herewith.

This Information Disclosure Statement is being filed before the mailing date of a first Office Action and in connection with the filing of a Request for Continued Examination under 37 CFR § 1.114. No certification or fee is required. 37 CFR § 1.97(b)(4).

Applicant plans to submit a supplemental Information Disclosure Statement citing foreign patent documents and non-patent literature documents. With respect to non-patent literature documents, Applicant plans to submit, among other non-patent literature documents, applications and file wrappers for the following applications, which Applicant has identified as “related” to the above-referenced application:
